Hi there,
Thanks for download from **Unio** | Creative Solutions.

About The File:

Unio presents "Metropolis".

Inspired by the original 1927 Fritz Lang movie and based on a old classic design, Metropolis font is a classic revival, a combination of modern and classic art. Created to answer contemporary needs of 21st century projects.

This elegant and versatile serif typeface captures the essence of classic and modern city, the dualism between the working class and the city planners. Through the elegant lines and sinuous curves this font works perfectly for a display reading or beautifully as a headline or as body copy.

Designed to be timeless! It's a delightful font for any occasion!
