

Zenith

typeface

by Anna Ivanir

Thank you very much for your purchase!

Zenith is a rounded, modern sans-serif typeface. It was designed to suit many design purposes: logo design, flyers, book covers, titling and many more.

Comes in 6 weights - regular, regular fill, bold, bold fill, light, light fill -
OTF format and WOFF for ewb format.

Feel free to let me know if you need any extra help,
always happy to assist!
